

Valdese Lakeside Park Adventure Playground

DOUBLE YOUR IMPACT

Every dollar donated will be matched 1:1 — up to \$100,000 — through December 31, 2026.

- \$350,000 total project goal
- \$70,000 in seed funding already in hand
- \$100,000 matching challenge available
- Give \$100 → \$200 goes toward the playground
- Give \$1,000 → \$2,000 goes toward the playground

A new nature-inspired adventure playground is coming to Valdese Lakeside Park — and our community has an opportunity to help build it. Designed to fit naturally into the wooded setting of Lakeside Park, the playground will feature climbing, balancing, swinging, rope and imaginative-play experiences that feel more like an adventure in the trees than a traditional playground.

One Gift. Twice the Impact. Help us build a Playground in the Trees
